

PETITION TO BRISBANE CITY COUNCIL – October 2003

We, the undersigned, are residents in the vicinity of the St Lucia Golf Course:

- **NO FENCE:** We do not want any fence restricting access to the golf course area or detracting from the park landscape.
- **CONFIRM ACCESS:** We want the Council to confirm our right to use the golf course area for recreation and enjoyment, rather than trying to reduce or deny our access.
- **IMPROVE PARK MANAGEMENT:** We want to see better management of the natural values of the area. We are willing to work with the Council to implement such improvements.
